47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm a small business owner in California who thinks it's vital to have open competition about broadband providers. I love the symmetric gigabit fiber service that my small provider Sonic.com offers consumers and business owners in the Bay Area. We must support entities like Sonic. Keep innovation alive in the US.
